- 1. As clarification, the RFQ for Project Management/Construction Management Services will be for Roads and Drainage only. Procurement of auxiliary surfaces will be coordinated by BDA in house Staff. There will be no vertical structures associated with this project.**
  2. As this is a RFQ, BDA wishes the focus of the Respondents to remain on the submittal of qualifications. The project site map will not be posted at this time. A final project site map will be presented to the short-listed Respondents.
  3. All questions are due no later than 10:00 am, Friday, February 8, 2013. There will be no exceptions for late questions. All questions will be posted to the BDA website by close of business February 11, 2013.
  4. The response to the RFQ shall be no longer than 15 pages. The following items **do not** count toward the page limit:
    - a. Table of Contents;
    - b. Binder Tabs;
    - c. Appendices; and
    - d. The legal documentation regarding Joint Ventures.
