Small Business Economic Development Advocacy (SBEDA) Police Requirements

It is the policy of the Brooks Development Authority to involve qualified small business and local business enterprises to the greatest extent feasible in BDA's professional service and other discretionary contracts. Pursuant to Brooks Development Authority, Board Resolution #021704-124, the Brooks Development Authority, its employees, contractors and subcontractors shall not discriminate on the basis of race, color, religion, national origin, sex, age or disability in the award and performance of contracts.

BDA has established the following overall contracting goals:

- | | |
|---|-------|
| <input type="checkbox"/> Minority-Owned Business Enterprise (MBE): | 31.0% |
| <input type="checkbox"/> Women-Owned Business Enterprise (WBE): | 10.0% |
| <input type="checkbox"/> African-American-Owned Business Enterprise (AABE): | 2.2% |
| <input type="checkbox"/> Small Business Enterprise (SBE): | 50.0% |

Please note that a business could be classified in each category and therefore their utilization could be counted in each category of goals. For example, Company X submits proposal as a prime contractor for \$250,000 of services of which \$77,500 is subcontracted to Company Z. Company X retains \$172,500 of the contract. Company X is classified as local SBE, and Company Z is certified as an AABE, WBE, MBE and SBE. Goal compliance will be evaluated as follows:

Contract Amount: \$250,000

MBE	=	\$ 77,500	or	31.0%
WBE	=	\$ 77,500	or	31.0%
AABE	=	\$ 77,500	or	31.0%
SBE	=	\$ 250,000	or	100%

Company Z's \$77,500 subcontract counts towards MBE/WBE/AABE and SBE goals. Company X's \$172,500 balance counts towards the SBE goal. MBE's and WBE's submitting proposals as a prime contractor may count their status as such towards the appropriate goal. However, compliance with other goals (i.e., AABE, SBE, etc.) is required.

Proposals shall include a Good Faith Effort Plan (GFEP). The GFEP shall include specific documentation, as outlined in **SBEDA Form 117C, "Good Faith Effort Plan for Subcontractors and Professional Services" (Attached)**, that demonstrates a commitment by the proposer, to utilize minority and women business enterprises in a percentage which equals or exceeds the above goals. **Any proposals that does not include a completed GFEP shall be declared non-responsive.**

A firm may count toward the above goals a portion of the total dollar value of a contract with a joint venture equal to the percentage of MBE, WBE, AABE, or SBE participation in the joint venture. The MBE, WBE or AABE must be responsible for a clearly defined portion of the work to be performed, equal to a share in the ownership, control, management, responsibility, risks and profits of the joint venture.

Only companies certified as MBE, WBE, or DEB by the South Central Texas Regional Certification Agency (SCTRCA) can be applied towards the contracting goals. If not certified, please call the SCTRCA at (210) 227-4722. Proof of certification must be submitted utilizing, in part or in whole, a MBE or WBE firm.

LOCAL AND DISADVANTAGED BUSINESS ENTERPRISE PERFORMANCE

Contractors will be evaluated based on the level of Local and Disadvantaged Business Enterprise (DBE) Performance. Credit will be given to submittals as follows:

- A. Classification of the team or primary submitter as a local business.

For Locally Headquartered Businesses:

Ten percentage (10%) points if the respondent is has a significant presence for at least one year within the Relevant Marketplace, defined as: an established place of business in one or more of the eight counties that make up the San Antonio Metropolitan Statistical Area (SAMSA), from which 20% of its full-time, part-time and contract employees are regularly based.

In the cases of joint ventures or subcontractor relationships between local and out-of-town firms, the submittal will be given credit based on the percentage of local participation.

- B. Designation of the team or primary submitter as a DBE.

Five percentage (5%) points for disadvantaged business enterprises.

A business meeting the definition of a DBE shall receive 5 percentage points. In order to receive this designation, a company must be certified by the SCTRCA.
