Small Business Economic Development Advocacy (SBEDA) Police Requirements

It is the policy of the Brooks Development Authority to involve qualified small business and local business enterprises to the greatest extent feasible in BDA's professional service and other discretionary contracts. Pursuant to Brooks Development Authority, Board Resolution #021704-124, the Brooks Development Authority, its employees, contractors and subcontractors shall not discriminate on the basis of race, color, religion, national origin, sex, age or disability in the award and performance of contracts.

BDA has established the following overall contracting goals:

- | | |
|---|-------|
| <input type="checkbox"/> Minority-Owned Business Enterprise (MBE): | 24.0% |
| <input type="checkbox"/> Women-Owned Business Enterprise (WBE): | 11.0% |
| <input type="checkbox"/> African-American-Owned Business Enterprise (AABE): | 1.5% |
| <input type="checkbox"/> Small Business Enterprise (SBE): | 50.0% |

Please note that a business could be classified in each category and therefore their utilization could be counted in each category of goals. For example, Company X submits proposal as a prime contractor for \$250,000 of services of which \$60,000 is subcontracted to Company Z. Company X retains \$190,000 of the contract. Company X is classified as local SBE, and Company Z is certified as an AABE, WBE, MBE and SBE. Goal compliance will be evaluated as follows:

Contract Amount:	\$250,000
MBE	= \$ 60,000 or 24.0%
WBE	= \$ 60,000 or 24.0%
AABE	= \$ 60,000 or 24.0%
SBE	= \$ 250,000 or 100%

Company Z's \$60,000 subcontract counts towards MBE/WBE/AABE and SBE goals. Company X's \$190,000 balance counts towards the SBE goal. MBE's and Webs submitting proposals as a prime contractor may count their status as such towards the appropriate goal. However, compliance with other goals (i.e., AABE, SBE, etc.) is required.

Proposals shall include a Good Faith Effort Plan (GFEP). The GFEP shall include specific documentation, as outlined in **SBEDA Form 117C, "Good Faith Effort Plan for Subcontractors and Professional Services"**, that demonstrates a commitment by the proposer, to utilize minority and women business enterprises in a percentage which equals or exceeds the above goals. **Any proposals that does not include a completed GFEP shall be declared non-responsive.**

A firm may count toward the above goals a portion of the total dollar value of a contract with a joint venture equal to the percentage of MBE, WBE, AABE, or SBE participation in the joint venture. The MBE, WBE or AABE must be responsible for a clearly defined portion of the work to be performed, equal to a share in the ownership, control, management, responsibility, risks and profits of the joint venture.

Submittals shall include SBEDA Form 117C which identifies the particular firms to be utilized in performing the contract, specifying for the dollar value of the participation, the type of work to be performed, and such information as may reasonable be required to determine the responsiveness of the submittal. Only companies certified as MBE, WBE, or DEB by the South Central Texas Regional Certification Agency (SCTRCA) can be applied towards the contracting goals. If not certified, please call the SCTRCA at (210) 227-4722. Proof of certification must be submitted utilizing, in part or in whole, a MBE or WBE firm.

LOCAL AND DISADVANTAGED BUSINESS ENTERPRISE PERFORMANCE

Contractors will be evaluated based on the level of Local and Disadvantaged Business Enterprise (DBE) Performance. Credit will be given to submittals as follows:

- A. Classification of the team or primary submitter as a local business.

For Locally Headquartered Businesses:

Ten percentage (10%) points if the respondent is a corporation, partnership, sole proprietorship, or other legal entity, which is headquartered within Bexar County for at least one year (i.e. Alamo Heights, Balcones Heights, Leon Valley, Lincoln Heights, Olmos Park, etc.)

For Local Branch Offices:

Six percentage (6%) points for a branch office of a non-headquartered business located within Bexar County for at least one year and must employ a minimum of ten (10) residents of Bexar County for use at the local branch office.

In the cases of joint ventures or subcontractor relationships between local and out-of-town firms, the submittal will be given credit based on the percentage of local participation.

- B. Designation of the team or primary submitter as a DBE.

Five percentage (5%) points for disadvantaged business enterprises.

A business meeting the definition of a DBE shall receive 5 percentage points. In order to receive this designation, a company must be certified by the SCTRCA.

In the cases of joint ventures or subcontractor relationships between DBE and non-DBE firms, the submittal will be give credit based on the percentage of DBE participation.

Small Business Economic Development Advocacy policy compliance:

Five percentage (5%) points for compliance with the Small Business Economic Development Advocacy policy.

**APPENDIX J
RETAINAGE AND FINAL PAYMENT**

After Engineer has issued the Certificate for Payment, the BDA shall make payment in the manner and within the time provided in the Contract Documents, and shall so notify the Engineer.

- A. Subject to provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:
1. Take that portion of the Contract Sum properly allocable to completed Work as determined by multiplying the percentage completion of each portion of the Work by the share of the Contract Sum allocated to that portion of the Work in the schedule of values, less retainage of Five percent (5.00%). Pending final determination of cost to the BDA of changes in the Work, amounts not in dispute shall be included as provided in Section 7.3.8 of AIA Document A201-1997;
 2. Add that portion of the Contract Sum properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the completed construction (or, if approved in advance by the BDA, suitably stored off the site at a location agreed upon in writing), **less retainage of Five percent (5.00%);**
 3. Subtract the aggregate of previous payments made by the BDA; and
 4. Subtract amounts, if any, for which the ARCHITECT has withheld or nullified a Certificate for Payment as provided in Section 9.5 of AIA Document A201-1997.
- B. The progress payment amount determined shall be further modified under the following circumstances:
1. Add, upon Substantial Completion of the Work, a sum sufficient to increase the total payments to the full amount of the Contract Sum, less such amounts as the BDA's Representative shall determine for incomplete Work, retainage applicable to such work and unsettled claims; and
 2. Add, if final completion of the Work is thereafter materially delayed through no fault of the Contractor, any additional amounts payable in accordance with Section 9.10.3 of AIA Document A201-1997.
- C. BDA may refuse to recommend the whole payment or, any part of any payment if, in BDA's opinion, it would be incorrect to make such payment, because of subsequently discovered evidence, or the results of subsequent inspections or tests, nullify any such payment previously recommended, to such extent as may be necessary in BDA'S Representative's opinion to protect BDA from loss because:

1. the Work is defective, or completed Work has been damaged, requiring correction or replacement;
2. the Contract Price has been reduced by Written Amendment or Change Order;
3. BDA has been required to correct defective Work or complete Work in accordance with the requirements noted herein this Agreement; or
4. BDA'S Representative's actual knowledge of the occurrence of any of the events enumerated herein.

CONTRACTOR shall keep efficient and accurate records of all costs incurred in connection with the Agreement, which shall be open to inspection by BDA or any authorized representative of BDA during course of the work and until one year after final billing.

D. Final Payment. Upon final completion and acceptance of the Work, BDA shall pay the remainder of the Contract Price as recommended by BDA'S REPRESENTATIVE as provided in this section. However, if the BDA has received:

1. notice or has actual or perceived knowledge of any existing and un-waived payment bond claim from any subcontractors or suppliers, the BDA may withhold the final payment, an amount equal to the total amounts of such un-waived claim affidavits to satisfy any claims; and
2. BDA may withhold final payment subject to CONTRACTOR'S compliance with Section 7.13.

The making of Final Payment shall constitute a waiver of all claims by BDA except those arising from 1) unsettled payment bond claim, 2) guarantees as defined herein this Agreement, and 3) defective and/or non-conforming Work.

E. **Close Out Documents.** Final payment is subject to the Contractor's delivery to the BDA of the following documents, if applicable, but not limited to:

1. **All** subcontractor and supplier final payment bond claim waivers;
2. **Copies of subcontractor's cleared checks or documented proof of final payment to the subcontractor(s);**
3. Contractor's and subcontractor's one (1) year warranties for labor and material;
4. Any manufacturer's warranties;
5. Operations and Maintenance manuals for installed equipment;
6. "As Built" plans and shop drawings;
7. Copies of any permits and inspections;
8. Applicable MSDS Sheets;
9. **Engineer's Final Acceptance; and**
10. **Final Acceptance of Public Improvements by necessary public entity.**

The making of progress payments by BDA shall not be construed as an absolute acceptance of the work done up to the time of such payments. BDA, however, may exercise reasonable care in discovering and reporting to CONTRACTOR as the work progresses all materials and labor which are not in accordance with drawings and specifications, so as to avoid unnecessary trouble and cost to CONTRACTOR in correcting defective work, however, failure of BDA to notify CONTRACTOR of non-conforming work shall not relieve CONTRACTOR of responsibility to correct non-conforming work.

The Contractor agrees and understands that retainage will not be paid until ALL of the documents referenced in Section E have been received, AND FINAL ACCEPTANCE OF PUBLIC IMPROVEMENTS by necessary public entity.

It is the responsibility of the Contractor to ensure that all Subcontractors are aware that retainage will be held until the documents are received. Upon award of the contract it is the Contractor's responsibility to have all Subcontractors execute this document.
