NOTES:						
A.	Proposals will be partially evaluated on the basis of the unit prices reflected in Column "D" for Non-Friable material or Column "E" for Friable material, multiplied by the proposed quantity reflected in Column "A". The Sub-total values should be summed and entered as a Total Proposal Price at the base of Column "F".					
B.	In order for your proposal to be considered, each Column ("D", "E" & "F") must be completed.					
C.	All Unit Prices shall reflect all Contractor costs associated with each project.					
D.	Unit prices for Friable Asbestos shall be used in the performance of work associated with the removal of Friable Asbestos when asbestos is not made friable by the Contractor.
