Questions

1. The instructions state that all forms must be typed and that hand written proposals will not be accepted. With that said, we do not know the final proposal pricing until about five or ten minutes before the bid is due, therefore requiring us to hand right our price. Will this be acceptable?

ANSWER: Yes, the Bid Form may be handwritten.

2. Also, the instructions require our proposal form on disk or flash drive, again, we do not know our final pricing until right before the bid is due. Therefore, the electronic copy of the proposal will not have the final pricing. Will this be acceptable?

ANSWER: Yes.

3. I am inquiring on how to solicit to Criteria 4 – SBEDA. Where will I find different trades and company names?

ANSWER: A Vendor Search option is available on the South Central Texas Regional Certification Agency's website (www.sctrca.org). You can search by business description or Commodity Codes.

4. Will there be Impact fees regarding tapping into existing 12" recycled water main from SAWS, if so, will BDA pay Impact Fee's directly to SAWS or would the General Contractor need to include this cost in Bid Proposal?

ANSWER: See Addendum 1.

5. Is there a BID BOND Requirement on this proposal?

ANSWER: No, a bid bond is not required.
