

Evaluation Sheet
CSP for Hangar 9 Renovations - Phase II Interviews
Bid #12072015-003
January 26, 2016

Technical	Points	M.J. Boyle	Pugh Constructors	Capital/Guido
Please be prepared to explain your process for approaching this specific project – the rehabilitation of Historic Hangar 9.	100	100	90	80
Experience with a project of this type is a principal requirement. Please provide the experience of your proposed team in directing and managing the rehabilitation of historic structures and related challenges, such as structural stabilization, replacement of wooden components, etc.				
If at all possible, please have your proposed Superintendent who will be assigned to this project attend the interview as we would keenly interested in meeting the people who will be involved with the project on a daily basis.				
Grand Totals	100	100	90	80
RANK BASED ON TOTAL SCORE		1	2	3
