

ADDENDUM NUMBER I
IFB for the Demolition of Building 1164
Reminder and Additional Scope of Work
Bid #03142016-009

To: All Attending Bidders

From: Lucynda Massey, Procurement Manager

Date: March 29, 2016

-
1. Reminder: All bidders need to review plans to take note of the oil and water separator that is removed as part of the scope of work.
 2. Additional Scope of Work: There is an addition of an adjacent concrete enclosure measuring 9 ½ feet wide, 11 ½' long and 9 ½' high, including foundation. Photos available on the website (www.brookscity-base.com).
