"Services" include, without limitation, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to the Project.  - (1) a certificate of coverage, prior to the other person beginning work on the Project; and
 - (2) a new certificate of coverage showing extension of coverage, prior to the end of the coverage period, if the coverage period shown on the current certificate of coverage ends during the duration of the project;
 - e. retain all required certificates of coverage on file for the duration of the project and for one year thereafter;
 - f. notify the BDA in writing by certified mail or personal delivery, within 10 days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the Project; and
 - g. contractually require each person with whom it contracts with, to perform as required by subparagraphs a-g, the certificates of coverage to be provided to the person for whom they are providing services.

10. By signing this Agreement or providing or causing to be provided a certificate of coverage, Contractor is representing to the BDA that all employees of Contractor who will provide services on the Project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

11. Contractor's failure to comply with any of these provisions is a breach of contract by Contractor which entitles the BDA to declare the Agreement void if Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the BDA without necessity of the ninety (90) day cure period as set forth in Article X.
