

GRAND OPENING DECEMBER 8

Join us in welcoming the newest apartment community at Brooks City Base. Aviator offers brand new apartments and units adapted from the historical Brooks City Base barracks. Come tour the studio, one bedroom, two bedroom, three bedroom, and townhome.

On December 8th from 4PM to 7PM is Aviator's around the world themed Grand Opening event. Travel the historic community, tour the previous existing barracks and contemporary apartments, devour refreshments inspired by each destination, and join in on the ribbon-cutting ceremony.
